Hog Heaven III Comfort Mats & Tiles

Anti-Fatigue Mats • Indoor

Hog Heaven III Comfort mats and tiles offer outstanding anti-fatigue qualities and perform in various environments including those with oil, grease, and chemicals. Available is modular tiles, linkable mats, and workstation mats for any configuration.

• Comfortable – High-density, closed-cell nitrile rubber cushion provides excellent anti-fatigue qualities to reduce the pain and fatigue associated with standing for long periods of time
• Safe – Beveled edges provide a safe transition from floor to mat and will not crack or curl
• Durable – Nitrile-blended cushion provides years of useful life and is molded, not glued, to the nitrile rubber surface so it will not separate
• Versatile – Welding safe; grease/oil resistant*; chemical resistant; ESD rating of electrically conductive
• Mats and tiles are 3/4” thick and available with black or OSHA-approved yellow striped border
• Linkable mats can be linked together to create long runs, tiles can be linked to create custom configurations, and workstation mats are ideal for standing areas

*The 100% nitrile rubber surface of Hog Heaven III Comfort is grease/oil proof while the nitrile-blended cushion is grease/oil resistant.
