WaterHog® Eco Elevator Mats

Scraper/Wiper Mats • Indoor

WaterHog Eco Elevator mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your elevator floor clean, dry, and safe. Eco Elevator mats feature an attractive diamond pattern.

- **Clean & Dry** – Raised nubs remove dirt, sand, and moisture from shoes and trap it below foot level; water dam border holds up to 1.5 gallons of water per square yard, keeping your floors clean, dry, and safe
- **Noise-Reducing** – Durable rubber border allows for easy, quiet transition of carts and luggage
- **Eco-Friendly** – PET fabric is made from 100% post-consumer recycled plastic from drink bottles, and SBR rubber backing contains 20% recycled rubber from car tires
- **Safe** – Beveled edges provide a safe transition from floor to mat
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat; solution-dyed PET fabric (30 ounces/yard²) is resistant to staining, dries quickly, and will not fade or rot
- **Easy to Install** – Available in four sizes to fit most standard elevators
  Available in 8 colors with a classic rubber border
  Feature 78-mil SBR smooth rubber backing

- Black Smoke
- Chestnut
- Grey Ash
- Indigo
- Khaki
- Maroon
- Regal Red
