

Desk Chair Mats

Specialty Mats • Indoor

The beauty of an accent rug meets the functionality of a chair mat. Designed for use on hard floors, M+A Desk Chair Mats not only help protect your floor, they add some visual interest to your office space. Ditch the boring plastic mat for a beautiful design that won't crack and split like vinyl mats.

- **Glides Easily** – Your chair will glide easily over the firm but beautiful surface
- **Skid-Resistant Floor Protection** – The durable rubber backing protects your floors and keeps your mat from sliding
- **Easy to Clean** – The stain-resistant PET surface can be vacuumed and/or wiped clean with mild detergent
- High-definition printing makes the mats uniquely reminiscent of different woven fabrics; Astella mimics a cross-hatch woven fabric; Stonewash looks like well-worn denim; Stratford offers a classic linen look.
- Each design is available in three colors - blue, grey and khaki
- Designed for placement on hard floors (will work on low-pile carpet, but not designed for anything softer)
