WaterHog® Low Profile Mats

Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Low Profile mats feature a bi-level design and low profile borders for an easy floor-to-mat transition.

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain-Resistant** – Solution-dyed PET fabric (14 ounces per square yard) is resistant to staining, dries quickly, and will not fade or rot
- **Safe** – Low-profile borders help reduce potential tripping hazards; certified high-traction by the National Floor Safety Institute (NFSI)
- **Available in 3 neutral colors to blend with virtually any décor**
- **Feature Anchor Safe® backing (made from durable 100-mil nitrile rubber) designed to keep mat in place**
