

WaterHog® Plus Mats

Scraper/Wiper Mats • Indoor/Outdoor

WaterHog Plus mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture, keeping your floors clean, dry, and safe. WaterHog Plus mats feature an attractive swirl pattern and are backed with 100% nitrile rubber making them commercially launderable.

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking; water dam border holds moisture keeping it off your floors (WaterHog mats can hold up to 1.5 gallons of water per square yard)
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** – Solution-dyed PET fabric (30 ounces per square yard) is resistant to staining, dries quickly, and will not fade or rot
- **Eco-Friendly** – PET fabric is made from at least 90% recycled content reclaimed from plastic
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- Available in 4 colors with a classic rubber border and durable 90-mil nitrile rubber backing
