Salon Décor Mats

Anti-Fatigue Mats • Indoor

Salon Décor mats are thoughtfully designed to provide stylists and barbers with a safe, comfortable standing surface to reduce the pain associated with standing for long periods.

• **Comfortable** – 5/8” nitrile-blended cushion provides excellent anti-fatigue properties and extends all the way to the mat edge to maximize the standing area

• **Durable** – Woven PVC surface is high-heel resistant and stain resistant; surface is molded, not glued, to the cushion so it will not separate

• **Attractive** – Available in five fashionable black/grey designs to complement any décor

• **Easy to Clean** – Hair trimmings sweep off easily

• **Safe** – Beveled edges provide a safe transition from the floor to the mat
